Ohio Northern University

Assistant/Associate Professor of Risk Management & Insurance

**Responsibilities:** Primary teaching responsibilities will be in the areas of risk management and insurance in the undergraduate program and other courses consistent with his/her professional background. Ongoing professional engagement, scholarly research and publication and service are expected. An interest in the pharmaceutical and/or healthcare sector is a plus.

**Qualifications:** The preferred applicant will have an earned doctorate in Risk Management and Insurance or related field, be scholarly academic (SA) qualified per AACSB standards, and have relevant industry experience. Applicants for advanced rank and tenure must have a record of teaching excellence and scholarship that serves to merit appointment at that level.

**Compensation:** Salary dependent upon experience and qualifications. Fringe benefits include TIAA-CREF retirement program, medical insurance, disability benefits, life insurance, educational benefits, and tuition remission for dependents attending Ohio Northern University for an initial degree.

**Terms of Employment:** Tenure and rank are commensurate with the applicant’s qualifications.

**Employment Date:** August 19, 2015.

**College Description:** The James F. Dicke College of Business Administration offers a unique educational opportunity by blending together the theories and principles of the academic disciplines with the professional experiences of managerial life. The College offers undergraduate majors in Accounting, Management, Marketing, Pharmaceutical Business, and Risk Management and Insurance (Fall 2014). The Masters of Professional Practice in Accounting (MPPA) degree offers tracks in forensic accounting and auditing services and taxation. The College is accredited by AACSB International.

**Applications:** Applications must include a letter of introduction, curriculum vita, transcripts of all colleges attended, and three letters of reference. Review of application materials will begin immediately and continue until the position is filled. Apply online at [https://jobs.onu.edu/](https://jobs.onu.edu/)

**University Description:** Founded in 1871, Ohio Northern University, located in West Central Ohio, is a private university offering a diverse, dynamic and unique learning community, with rigorous professional programs in partnership with the arts and the sciences. Its 3,600 students study for graduate and undergraduate degrees in five colleges: Arts and Sciences, Engineering, Business Administration, Pharmacy, and Law. Ohio Northern takes pride in being a student-centered, service-oriented, values-based institution.
