GEORGIA STATE UNIVERSITY: Robinson College of Business, Department of Risk Management & Insurance

TENURE TRACK POSITION IN ACTUARIAL SCIENCE

GEORGIA STATE UNIVERSITY invites applications for one or more tenure-track appointments in actuarial science effective Fall 2015 in the Department of Risk Management and Insurance at the Robinson College of Business. Rank is open, but we expect to hire at the Assistant Professor level.

JOB QUALIFICATIONS

Candidates for an Assistant Professor position must have a completed Ph.D. by the time of appointment in Actuarial Science or a related field such as Statistics, Mathematics, Finance or Economics. Further, candidates should have a strong capability of publishing in top actuarial, statistics, finance, and/or mathematics journals in the area of actuarial science. A completed actuarial credential (or one in progress) from any of the professional societies is preferred. Candidates at the Associate or Full Professor level must have a significant and current record of scholarly achievement consistent with their rank.

ABOUT THE ENVIRONMENT

The mission of the Department of Risk Management and Insurance at Georgia State University is to better understand how risks faced by individuals, institutions, and societies can be more accurately measured and more efficiently managed. Faculty members have risk-related research interests including behavioral economics, experimental methods, actuarial science, mathematical finance, econometrics, household finance, corporate decision making, legal risk, and insurance economics, among others.

The department is one of the oldest and most influential risk management programs in the U.S. and has a distinguished history of serving students, alumni, and the risk management profession for more than 60 years. We are currently rated #4 in the U.S. News and World Report ranking of RMI programs; we hold a Center of Actuarial Excellence designation from the Society of Actuaries; and we are an Accredited Risk Program according to the Professional Risk Management International Association (PRMIA).

The salary level and course load are competitive.

Positions are contingent on budget approval. Applications will be accepted until the position is filled. To apply, a letter of application, curriculum vitae, three recommendation letters, teaching evaluations if any, and copies of publications should be uploaded to Academicjobsonline.org (strongly preferred) or mailed to Carmen Brown, Department of Risk Management & Insurance, Robinson College of Business, Georgia State University, PO Box 4036, Atlanta, GA 30302. PLEASE be sure to note in your cover email or letter that you are applying for one of the actuarial science positions.
