

Glen L. Taylor Professorship in Insurance

The University of North Texas, College of Business invites applications for the Glen L. Taylor Professorship of Insurance, beginning Fall 2010. The successful candidate will be qualified for initial appointment at the rank of Associate Professor in insurance.

The successful candidate is expected to provide leadership and direction to the Risk Management and Insurance Program. The successful candidate will teach undergraduate and graduate courses in the areas of insurance and risk management; recruit and advise students; and work closely with alumni and insurance and risk management professionals. Salary is competitive and commensurate with qualifications.

Qualified candidates are required to hold a Ph.D. in insurance, risk management or related field and to have produced research publications in journals in insurance and risk management. Candidates with experience in teaching, mentoring students, or working with the insurance industry are preferred.
