UNIVERSITY OF WATERLOO
DEPARTMENT OF STATISTICS AND ACTUARIAL SCIENCE

The Department of Statistics and Actuarial Science at the University of Waterloo invites applications for a tenure-track position in Biostatistics at the Assistant or Associate Professor level. Successful candidates will have a strong record in the development of statistical methods and enthusiasm and experience in collaborative health research. Duties will include undergraduate teaching in statistical methods for health research and graduate student supervision. Candidates should hold a doctoral degree in Statistics or Biostatistics. The position is available effective July 1, 2010, but the starting time is negotiable. Opportunities for collaborative public health research within the University of Waterloo are extensive and may involve faculty in Health Studies and Gerontology, the School of Optometry, the Population Health Research Group, the Waterloo Institute for Health Informatics, and others. Many opportunities for collaborative research also exist with nearby health research institutions. The Department of Statistics and Actuarial Science at the University of Waterloo is among the most active departments in the world with over 45 full time faculty and 152 graduate students. Departmental strengths in Statistics and Biostatistics cover a wide range of topics including methods for the analysis of longitudinal and life history data, cluster randomized studies, data mining, missing data, environmental statistics, survey methods, clinical trials, foundations in statistics, and interdisciplinary collaborative work.

Interested candidates with a strong track record or potential in research and teaching are encouraged to apply for these positions. The salary offered will be commensurate with qualifications and experience. The closing date for applications is January 31, 2010.

Please submit a *curriculum vitae*, and arrange for at least three letters of reference to be sent to

Professor Paul Marriott, Chair
Statistics and Actuarial Science
University of Waterloo
Waterloo, ON N2L 3G1, CANADA

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Waterloo encourages applications from all qualified individuals, including women, members of visible minorities, native peoples, and persons with disabilities.
