2027 ARIA-ASSA Session

Washington, DC, January 3-5, 2027

The American Risk and Insurance Association (ARIA) is organizing **one** session at the 2027 Allied Social Sciences Association (ASSA) Meetings. The meetings will be held on January 3-5, 2027 (Sunday, Monday, Tuesday), in Washington, DC. The specific date and time of the ARIA-ASSA session will be announced in autumn.

We invite you to submit a paper to be considered for this session. Papers can be on any topic in insurance economics or insurance related finance. Since we only have one session at the meeting, the selection process will be competitive. Ideally, we would like to showcase the work of our members to attract new members to our annual meeting.

Completed papers will be given preference and **only one paper per author will be on the program**. Preference also will be given to papers not presented or accepted at earlier meetings of the American Risk and Insurance Association, the Risk Theory Society or the NBER Insurance Project, and not accepted for publication.

Paper or proposal submissions will be accepted **until June 1, 2026**.

Please send your submission to the 2027 session chair, Ben Collier, at ben.collier@wisc.edu
