Where do I find the links? There are two places

- **The links will also be in the Agenda App, as described below.**
 - *In the sample below, the title of the session is Market Economics, and the moderator is Casey Rothschild.*
 - *What is labeled 5C contains the link. The Flag icon is another clue.*
 - *There are three research presentations that will be presented in the order indicated.*
 - *All three of these presentations are in Room C for 90 minutes in the one link.*
 - *5C1 is first for 30 minutes, 5C2 is the second for 30 minutes, and so on.*

What if I have technical trouble?

Along with the email in which the links are sent, you will also have designated mobile phone numbers to which you may text if you need help.

I am a presenter or a moderator, when should I login to my session?

Please login no later than 15 minutes prior to start time. We will use this time to check that you can easily upload your PowerPoint, have good connectivity, and good sound from your microphone.

- Please do not allow yourself to be back-lit. That is, please do not have a bright light or window behind you.
- Please be in a quiet place.
- Please make sure to be hard wired to your router or sit near your wireless for a good signal.

At three minutes before the session starts, we will conclude our preparations and an informational series of slides will cycle to welcome participants. We will start right on time.

How do we ask our questions?

Please use Chat to ask your questions when you think of them. The moderator will ask them for you.

Networking Session? Celebrate with an Adult Beverage!

Don't miss this lighthearted session to celebrate ARIA and that we can be together, even if virtually. Meet new people, chat up long-time friends. And an adult beverage might also carry themes from this past year....
